

**Kerr Health Joins Arthritis Foundation  
For Jingle Bell Run/Walk®**  
*Committed to the fight against Arthritis*

Kerr Health is pleased to announce our participation in the 2011 Jingle Bell Run/Walk® for Arthritis. This event is hosted each December by the Arthritis Foundation in order to raise awareness and funds for further advancements in Arthritis research and development. Kerr Health's President, Mike Brown, has been elected as this year's Corporate Chair and expressed, "It is a privilege for Kerr Health to partner with the Arthritis Foundation in support of individuals suffering from the nation's fastest growing chronic condition. We understand these patients' challenges and have adapted unparalleled services to ease their burden with the goal of improving their quality of life."

This year's event will take place on **Saturday, December 3rd** at Saint Mary's School in Raleigh, North Carolina. Jingle Bell Run/Walk® is a fun and festive way to kick off your holidays by helping others! The Arthritis Foundation encourages participants to express their enthusiasm and spirit by wearing a holiday themed costume or tying jingle bells to their shoelaces during their 5 kilometer route. Kerr Health team members will celebrate this season by giving back to the fight against the nation's most common cause of disability.

**About The Arthritis Foundation:**

The Arthritis Foundation is the largest private, not-for-profit contributor to arthritis in the world, funding more than \$380 million in research grants since 1948. Through the support of more than 600,000 volunteers, the foundation helps individuals take control of arthritis by providing public health education; pursuing public policy and legislation; and conducting evidence-based programs to improve the quality of life for those living with arthritis.

**About Kerr Health:**

Kerr Health is a leading regional health care services provider focused on delivering exceptional value and clinical leadership through its three primary service lines: Specialty Pharmacy, Long-Term Care Pharmacy Services, and Care Management.
