

Kerr's Pharmacist Michaels, tapped for NCAP Executive Committee

Elected for Community Care Practice Forum

November 19, 2010 -- Kerr Health clinical pharmacist, Tasha Michaels, PharmD, was recently selected by the NCAP to serve on the Executive Committee of its Community Care Practice Forum. The North Carolina Association of Pharmacists is the state organization representing the profession of pharmacy. The NCAP is organized to unite, serve and advance the profession of pharmacy for the benefit of society.

The committee is heavily involved in the planning of educational meetings that address issues and topics relevant to community pharmacy practice in North Carolina. They handle professional issues related to community pharmacy practice for the entire NCAP, and serve as the voice for all members of the Community Care Practice Forum.

Kerr Drug, Inc. has been at the forefront of major transformations in the delivery of pharmacy services, redefining the vision of the community pharmacy model in the U.S., twice earning recognition as Drug Topics Pharmacy Chain of the Year.

About Kerr Health:

Kerr Health is a leading regional health care services provider focused on delivering exceptional value and clinical leadership through its three primary service lines: Specialty Pharmacy, Long-Term Care Pharmacy Services, and Care Management. As a subsidiary of Kerr Drug, Inc., one of the nation's leading and most respected names in the chain drug industry (2010 Drug Topics Chain of the Year), Kerr Health provides a broad and customizable offering of value-driven products and services to medical practices, patients, employer groups, long-term care facilities, and municipalities.
