

Kerr Health Pursuing URAC Accreditation *Committed to the highest standards of quality*

Kerr Health is committed to achieving and delivering the best quality of care to our current and future customers. We strive to provide holistic support and a personal level of care. Consistent with our commitment to continual improvement and refinement of our services, we are undergoing the process of becoming URAC accredited.

URAC, an independent, nonprofit organization, is well-known as a leader in promoting health care quality through its accreditation, education and measurement programs. URAC offers a wide range of quality benchmarking programs and services that keep pace with the rapid changes in the health care system, and provide a symbol of excellence for organizations to validate their commitment to quality and accountability. Through its broad-based governance structure and an inclusive standards development process, URAC ensures that all stakeholders, including consumers and providers, are represented in establishing meaningful quality measures for the entire health care industry.

The URAC seal is the gold standard in accreditation that gives increased certainty and consumer confidence in a product, a service, and an organization. It promotes industry best practices and encourages industry-wide quality improvement in an effort to protect and empower consumers.

About Kerr Health:

Kerr Health is a leading regional health care services provider focused on delivering exceptional value and clinical leadership through its three primary service lines: Specialty Pharmacy, Long-Term Care Pharmacy Services, and Care Management. As a subsidiary of Kerr Drug, Inc., one of the nation's leading and most respected names in the chain drug industry (2010 Drug Topics Chain of the Year), Kerr Health provides a broad and customizable offering of value-driven products and services to medical practices, patients, employer groups, long-term care facilities, and municipalities.
